## 5 Service Provider obligations

50. Commencement of Service: The subscriber will be provided with a Data Only SIM card. When the Data Only SIM card is placed in the subscriber’s Data Device, the Data Device will be registered into Ooredoo’s mobile network, and the subscriber will have access to the service. The service shall commence from the date of activation of service.

51. Ooredoo will fully reimburse the subscriber for the Postpaid Mobile Broadband service if the subscriber is consistently unable to receive service during the minimum service period in locations that Ooredoo has advertised as being covered with the exception of the service availability and limits described in section 3.
52. Ooredoo shall exercise all reasonable efforts to provide access that is continuous, except in cases in which the provision of service is affected as set forth in other applicable sections of this tariff and/or the GT&C.
53. Service Availability and Limits:
  - 53.1 Certain factors, such as network changes, traffic volume, transmission limits, service outages, technical limitations, signal strength, customer device, terrain, structures, weather, or other conditions that may arise from time to time, may interfere with actual service quality and availability.
  - 53.2 Connection may be interrupted, dropped, refused or limited. Ooredoo will not be liable for any service limits due to these conditions that may arise from time to time, subject to our statutory, license and other obligations.

## **6 Subscriber Obligations**

54. **Equipment:** The Subscriber may acquire equipment from a third-party, provided that all equipment used to connect to Ooredoo's network complies with the technical standards and specifications described in Ooredoo's GT&C.
55. **Data-only SIM Card:** It is the subscriber's responsibility to keep safe the SIM card that is provided to them. SIM Cards are easily damaged and should be handled with care. The subscriber must promptly notify Ooredoo if the SIM Card is damaged. In the event of loss or theft of the subscriber's SIM Card, the subscriber must notify Ooredoo within forty-eight (48) hours of becoming aware of such loss or theft. The subscriber may be charged in the event of loss or theft of the SIM Card.
56. The subscriber shall comply with any reasonable request by Ooredoo concerning the configuration of the subscriber's data device, data-only SIM Card and/or the use of the service.
57. Ooredoo may require the subscriber to submit information reasonably related to their service, data device or data-only SIM card.
58. The customer must notify Ooredoo of such change within 14 days in the case of change of customer billing address.
59. **Resale:** The Subscriber cannot resell the service if (s)he does not qualify as an Eligible Person, within the framework set by the Class License for the Resale of Retail Telecommunications

Services issued by the Communication Regulatory Authority (CRA) (<https://www.cra.gov.qa/en/document/class-license-for-the-resale-of-retail/telecommunications-services>) and without a prior written approval by Ooredoo. Failure to comply with the above provision will result in the Services being immediately terminated and in the Subscriber being held responsible for the legal, regulatory, and financial consequences of his/her behavior.

## 7 Mobile number portability

### 7.1 Porting of mobile number away from Ooredoo

60. Subscriber may port mobile number: The Subscriber may port a mobile number allocated to the Subscriber by Ooredoo to the OLO by requesting the port of that mobile number from the OLO. Not all mobile numbers will be technically capable of being ported.
61. Charges payable as at date of port: The Subscriber cannot port a mobile number to the OLO until all invoiced charges that are outstanding at the time the Subscriber requests the port are fully paid. If charges are outstanding at the time the Subscriber requests a port, Ooredoo will inform the Subscriber of the amount payable and the timeframe in which that payment must be made to avoid the cancellation of the Subscriber's port request.
62. Charges that are owed but which have not been invoiced also payable: The Subscriber must pay all charges that have been incurred by the Subscriber, but which have not been invoiced by Ooredoo as at the date of the port, including any early contract termination fees. Ooredoo will issue the Subscriber with a final invoice in respect of those charges. If the final invoice is not paid:
  - 62.1 within 30 days of the invoice date, Ooredoo may direct the OLO to bar the ability of Users to make outgoing calls (except for calls to emergency service organization numbers and operator service numbers), send SMS/MMS, access data services and any other outgoing services using the ported mobile number,
  - 62.2 within 45 days of the invoice date, Ooredoo may direct the OLO to suspend the ability of Users to receive public telecommunications services using the ported mobile number, and
  - 62.3 within 60 days of the invoice date, Ooredoo may direct the OLO to terminate the supply of the public telecommunications services in respect of the ported mobile number. The Subscriber may lose the right to use the ported mobile number if the invoiced charges are not paid within a certain period after the date of termination.

63. Termination: This agreement will automatically terminate on the earlier of:
- 63.1 the date on which all invoiced charges under this agreement (including charges invoiced after the date of porting) are received by Ooredoo; and
  - 63.2 the date that the supply of public mobile telecommunications services to the Subscriber is terminated by the OLO due to non-payment of Ooredoo's outstanding invoices, if applicable.

## 7.2 Porting of mobile numbers to Ooredoo

64. A Subscriber that ports a mobile number from the OLO to Ooredoo must pay all charges that are owed to the OLO in respect of that ported mobile number, notwithstanding the fact that the Subscriber has ceased to acquire public mobile telecommunications services from the OLO.
65. If the Subscriber does not pay all outstanding charges to the OLO in respect of that ported mobile number:
- 65.1 within 30 days of the invoice date, Ooredoo will, upon request of the OLO, bar the ability of Users to make outgoing calls (except for calls to emergency service organization numbers and operator service numbers), send SMS/MMS, access data services and any other outgoing services using the ported mobile number,
  - 65.2 within 45 days of the invoice date, Ooredoo will, upon request of the OLO, suspend the ability of Users to receive public telecommunications services using the ported mobile number; and
  - 65.3 within 60 days of the invoice date, Ooredoo will, upon request of the OLO, terminate the supply of the public telecommunications services in respect of the ported mobile number. The Subscriber may lose the right to use the ported mobile number if the invoiced charges are not paid within a certain period after the date of termination.
66. If the Subscriber requests the porting of a mobile number to Ooredoo and it is subsequently discovered that the port has been made in error, is fraudulent or the Subscriber does not otherwise have the right to port that mobile number to Ooredoo, Ooredoo may take such measures as are necessary to address this issue, including returning the ported number to the original range holder.
